

Kid's Fall Bucket List

1. Gather up warm clothes that are too small and donate them.
2. Collect different leaves and make a rubbing imprint of them on paper with crayons. Cover leaf vein side up with a piece of paper.

Remove the paper wrapping of a crayon and rub it horizontally over the leaf.

3. Collect pine cones and make a bird feeder. Roll the pine cone in a bowl of vegetable shortening and then roll the pine cone in a bowl of bird seed. Attach a string to the top and hang it from your favorite tree.
4. Pick a pumpkin, carve it, and roast the pumpkin seeds. To roast the seeds, rinse and dry them with a clean kitchen towel. Then heat oven to 300 degrees F. Toss with your favorite oil or butter and salt. Spread seeds in a single layer on a baking sheet and bake for 30-40 minutes, stirring every 10 minutes until they are golden brown. Experiment by adding other spices like cinnamon, garlic, or cayenne pepper.
5. Make your favorite apple recipe (apple pie, apple butter, caramel apples).
6. Rake leaves into a pile and jump into them. Help a neighbor rake their leaves too.
7. Count how many birds you see migrating to the south by flying in a V.
8. Roast a marshmallow and make s'mores.
9. Visit your library and checkout a spooky story.
10. Bake cookies and share them with a friend.
11. Drink hot apple cider with cinnamon.
12. Take a fall nature walk.
13. Go star gazing.
14. Have a family game night.
15. Watch a spooky movie.
