Dragon Eggs

Supplies:

Eggs
Food Coloring
Zip Lock Bag
White Vinegar

Cook your eggs until hard boiled. When eggs are cool, gently tap on hard surface making cracks all over the shell, but leaving the shell on the egg. Put egg in a zip lock bag with 7-8 drops of food coloring. Massage the color over the egg, making sure the whole egg is covered. Leave in bag to set for 30minutes. Take egg out and rinse off color from shell. Pour vinegar over the egg. Dry egg and peel off the shell to see your Dragon Egg!

Magic Fruit Wand

Supplies:

Watermelon Slice
Star Cookie Cuter
(or knife to cut star shape)
6 Grapes
4 Thick Slices of Strawberry
Kabob Skewer

Use star cookie cutter to cut a star out of the watermelon slice. If you don't have a cookie cutter, an adult can use a knife to cut a star piece out of the watermelon. Skewer the grapes and strawberries onto kabob skewer. Put watermelon star at the top and your fruit wand is ready for magic!
